Aisha Bello

Birmingham, UK · 07700 900789 · aisha.bello@example.com · NMC PIN: 12A3456E

PERSONAL STATEMENT

Compassionate and adaptable Band 5 registered nurse (NMC-registered) with three years' acute medical ward experience. Skilled in patient assessment, medication management and multidisciplinary working, with a strong commitment to safe, dignified, patient-centred care. Experienced in mentoring student nurses and improving ward processes — recently cutting medication-round delays by 25%. Seeking a Band 5 role on a busy medical or surgical ward.

KEY SKILLS

- **Patient assessment & escalation** — use NEWS2 and SBAR to escalate deteriorating patients promptly
- **Mentoring** — supported 6 student nurses to successful placement completion

Medication administration | Safeguarding (Level 3) | Infection prevention & control | Venepuncture & cannulation | SystmOne / EPR | Multidisciplinary working

WORK EXPERIENCE

Staff Nurse (Band 5) — University Hospitals Birmingham NHS FT

Aug 2021 – Present

- Manage a caseload of up to 8 acutely unwell patients on a 28-bed medical ward.
- Cut medication-round delays by 25% by reorganising the drug-round checklist.
- Mentored 6 student nurses to successful placement completion.
- Recognised by the ward sister for compassionate end-of-life care (family commendation).

Healthcare Assistant — Birmingham Community Healthcare

Sep 2018 – Jul 2021

- Supported personal care and observations for up to 12 patients per shift.
- Escalated a deteriorating patient promptly using NEWS2, supporting timely intervention.

EDUCATION & TRAINING

BSc (Hons) Adult Nursing — University of Birmingham, 2021

Current mandatory training: BLS, safeguarding Level 3, manual handling, infection prevention & control.
